Definitions

For the purposes of this AGREEMENT the following terms shall have the following meanings:

1. **"Earnings Period"** is the five (5) year period beginning on the Settlement Date of the Home purchase (as documented on the fully executed Settlement Statement for the Home's purchase) during which RECIPIENTS can accrue Incentive Earnings.
2. **"Participating Agency"** is a community-based public or private nonprofit charitable organization approved from time to time by the COUNTY for purposes of the Incentive, a list of which shall be made available to RECIPIENTS on the COUNTY website. The Participating Agency must be representative of a community or significant segments of a community and provide basic services aimed at making improvements to a community's social health, well-being, and overall functioning. For the purposes of the Incentive, the Participating Agency must also originate in and / or directly serve residents of Washington County, must be willing to track and approve RECIPIENT volunteer hours and financial contributions via an online portal; and must enter into a Memorandum of Agreement with Washington County spelling out additional obligations for program participation.
3. **"Family"** is a person who is a spouse, child, stepchild, grandchild, parent, stepparent, grandparent, niece, nephew, mother-in-law, father-in-law, son-in-law, daughter-in-law, brother, sister, brother-in-law, or sister-in-law, including adoptive relationships, of the RECIPIENT, any person sharing the RECIPIENT's household, any trust in which any one or more of these persons have more than fifty percent of the beneficial interest, and any other entity in which one or more of these persons (or the RECIPIENT) own more than fifty percent of the voting interests.
4. **"Home"** is a habitable owner-occupied residential dwelling unit existing or to be constructed on real property located in Washington County, WI – as more particularly described in the Summary Information Section above and in Exhibit A Junior Mortgage – that the RECIPIENT is purchasing to use and maintain as the RECIPIENT'S full-time, primary residence and not for use as a vacation home, rental property (accessory dwelling units are permitted under this provision) or for any investment, trade or business purposes other than remote work conducted as part of flexible work arrangements with RECIPIENT's employer(s).
5. **"Incentive Earnings"** is the amount earned as a result of volunteer time or financial contributions of the RECIPIENT and / or Family living in the Home to one or more Participating Agencies during the Earnings Period as calculated pursuant to the Incentive Section below, which shall reduce the Unearned Incentive Balance pursuant to the terms hereof.
6. **"Lender"** is the financial institution providing RECIPIENT first mortgage financing in connection with the purchase of the Home, which financial institution must be licensed by the Nationwide Mortgage Licensing System and Registry (NMLS) and must accept the Pre-Paid Incentive as part of RECIPIENT's down payment of the purchase price of the Home or other eligible costs as determined by COUNTY or COUNTY's Agent such as closing costs, escrow reserves, and Home renovation expenses (**"Eligible Costs"**). Lender must consider the Pre-Paid Incentive to be equity the RECIPIENT is bringing to the Home's purchase.
7. **"Pre-Paid Incentive"** is an amount equal to 10% of the Home purchase price or Twenty Thousand Dollars (\$20,000), whichever is less, paid at the time of close on the Home purchase and applied by Lender as part of the RECIPIENT's down payment on the first mortgage for the Home or toward other Eligible Costs. RECIPIENT must have submitted to COUNTY or COUNTY's Agent a complete Incentive application and received a corresponding Letter of Approval from COUNTY or COUNTY's Agent prior to disbursement of the Pre-Paid Incentive.
8. **"Unearned Incentive Balance"** shall be equal to the Pre-Paid Incentive Amount disbursed on the Settlement Date of the Home's purchase less cumulative Incentive Earnings properly reported by RECIPIENT pursuant to the terms of this Agreement through the date of calculation of the Unearned Incentive Balance. The Unearned Incentive Balance remaining at the end of the Earnings Period, if any, shall become permanently unearned and thus remain as Unearned Incentive Balance until reimbursed in full, which shall be an obligation of RECIPIENT as specifically provided herein.

NOW THEREFORE, in consideration of the mutual promises hereinafter contained, it is hereby agreed as follows:

A. Incentive

1. **PRE-PAYMENT:** The COUNTY or its Agent shall pay the Pre-Paid Incentive Amount on the Settlement Date as specifically detailed in the above Summary Information Section via wire or check to the title company or other licensed authority settling the purchase of the Home at close on behalf of the RECIPIENT, which amount shall be applied to the purchase price of the Home or other Eligible Costs. This Pre-Paid Incentive Amount, upon disbursal, constitutes the RECIPIENT's initial Unearned Incentive Balance.
2. **CHARACTER:** The Pre-Paid Incentive shall be deemed a pre-paid grant to RECIPIENT to be earned by RECIPIENT through qualifying community service and / or financial contributions to one or more Participating Agencies and shall not be considered a loan nor an extension of credit to RECIPIENT. The Pre-Paid Incentive may be retained by RECIPIENT without obligation to repay except as specifically provided herein.
3. **EARNING THE PRE-PAID INCENTIVE:** RECIPIENT shall, during the Earnings Period, perform community service for and/or make financial contributions to one or more Participating Agencies and thereby accrue Incentive Earnings to be applied against

the RECIPIENT's Unearned Incentive Balance. For purposes hereof, community service performed for and /or financial contributions made to Participating Agencies by Family then living in the Home shall be included in the calculation of Incentive Earnings for the benefit of RECIPIENT.

Incentive Earnings shall accrue as follows:

- a. Community service or other time volunteered in direct support of a Participating Agency shall accrue Incentive Earnings at a rate of \$25 for every 1 hour of time volunteered and properly reported pursuant to the terms of this Agreement; and / or
 - b. Financial contributions to a Participating Agency shall accrue Incentive Earnings at a rate of \$0.70 for every \$1.00 so contributed and properly reported pursuant to the terms of this Agreement.
4. **UNEARNED INCENTIVE BALANCE:** All Incentive Earnings accrued during the Earnings Period and properly reported pursuant to this Agreement shall reduce the Unearned Incentive Balance. The Pre-Paid Incentive may be fully earned at any time prior to termination of the Earnings Period as there is no limitation on the amount of Incentive Earnings that can be accrued in any year during the Earnings Period. The Unearned Incentive Balance remaining as of the expiration of the Earnings Period, if any, shall be fixed in amount as of the date thereof. RECIPIENT shall be obligated to reimburse the COUNTY for the full amount of the Unearned Incentive Balance in accordance with the terms of this Agreement, which obligation shall be secured by a mortgage on the Home.
5. **SECURITY:** To secure RECIPIENT's obligation to reimburse the COUNTY for the Unearned Incentive Balance, RECIPIENT shall grant COUNTY a Junior Mortgage (subordinate only to the senior mortgage of Lender and, if approved by the COUNTY or its agent at its sole discretion, to a second mortgage required by a government supported homebuyer assistance program in an amount not to exceed the initial total amount of the first mortgage loan and, if approved, second mortgage obligation or such greater amount as the COUNTY may consent to during the Earnings Period) on the Home and RECIPIENT shall execute said Junior Mortgage on the Settlement Date as part of the Home closing process managed by the title company. The Junior Mortgage shall remain on the Home so long as there is an Unearned Incentive Balance and shall be deemed satisfied only upon the earliest to occur of the following:
- a. RECIPIENT accrues Incentive Earnings equal to the Pre-Paid Incentive (i.e., the Unearned Incentive Balance is reduced to Zero) prior to expiration of the Earnings Period.
 - b. RECIPIENT pays EDWC the full amount of the Unearned Incentive Balance at the RECIPIENT'S option at any time during or after the Earnings Period.
 - c. RECIPIENT pays EDWC the full amount of the Unearned Incentive Balance at the time of the sale or transfer of all or any portion of the Home, subject to the provisions set forth in the Reimbursement of Unearned Incentive Section below.
6. **REPORTING:** During the Earnings Period, RECIPIENT shall report at least quarterly to COUNTY the number of hours of volunteer time contributed and / or dollars donated to Participating Agencies by RECIPIENT and any person then living at the Home during the most recently completed calendar quarter using an online portal or other means as the COUNTY may require from time to time. RECIPIENT may report to COUNTY more frequently at RECIPIENT's option and convenience. COUNTY shall email RECIPIENT a notice to report eligible volunteer time and / or funds within 1 business day following the last day of each calendar quarter. RECIPIENT must report all hours of volunteer time and / or dollars contributed to Participating Agencies during each calendar quarter within 10 days of receiving said notice from COUNTY ("Reporting Period"). Incentive Earnings shall not include any hours of volunteer time and / or donations to Participating Agencies for any calendar quarter unless they are reported by RECIPIENT prior to the end of the Reporting Period. In concert with RECIPIENT'S reporting requirements, COUNTY or its Agent shall certify and report semi-annually the aggregate Incentive Earnings credited against the RECIPIENT'S Unearned Incentive Balance and the RECIPIENT'S Unearned Incentive Balance remaining.
7. **INITIAL MEETING:** Within 60 calendar days following the Home's closing on a date and time as mutually agreed, RECIPIENT shall meet either in person or virtually with a representative from the COUNTY to discuss the organizations to which the RECIPIENT wishes to contribute time and / or funds, either validate the desired organizations already are or determine a path for them to become a Participating Agency, review the process for accruing Incentive Earnings (including any limitations on activities associated therewith), learn how to use the COUNTY'S online portal (or other COUNTY supplied means), provide the COUNTY with a W-9 for RECIPIENT, and otherwise address RECIPIENT questions and / or concerns.
